

Module 4 Assignment

Instructions:

For this assignment, you will be creating a **Dorm and Meal Plan Calculator**.

A university has the following dormitories:

- Allen Hall \$1,500 per semester
- Pike Hall \$1,600 per semester
- Farthing Hall \$1,800 per semester
- University Suites \$2,500 per semester

The university also offers the following meal plans:

- 7 meals per week \$ 600 per semester
- 14 meals per week \$1,200 per semester
- Unlimited meals \$1,700 per semester

Create a multi-form Windows Forms Application with two forms. The main form should allow the user to select a dormitory and a meal plan. The application should show the total charges on the second form.

Requirements:

- Submit a single zip file containing your solution folder using the following format:
username_module4activity.zip
- Upload your zip file to Canvas and submit.
